The BUNGOONA Revival

Edition #4 21 October 2024

Year 6 Transition Days
Are in full swing this term!

Year 6 students will visit the high school and attend classes with our current cohorts in preparation for their high school debuts next year!

A Note From the Principal

Term 4

It is hard to believe that we have now moved into Term 4 and that our Year 12s are nearly at the final stage of their high schooling journey. To these students, we wish them all the very best of luck as they complete their final assessment.

While this is happening, we are going through the next phase for Mount Morgan High, preparing for 2025. We are undergoing some of our Student Leadership processes, making sure that our School will continue to strive.

We are also welcoming some of our new students coming into Mount Morgan High through the Year 6 transition program. Pretty weird to consider that these Year 6 students will be our Senior cohort of 2023!

It has been great to see our students in action and being able to showcase some excellent work that happens at Mount Morgan High.

Mount Morgan SES gains a recruit !!!

Year 11 student Travis recently graduated the SES CR24 Delta recruit course as a SES Community Member. The course was held in Gladstone and after completing 3 full weekends of training Travis came away with approximately twenty-four qualifications, some of which are nationally recognised. Now that Travis has completed this training, he is able to be used operationally by the Mount Morgan SES Group. On the final weekend a graduation ceremony was held and the honour of cutting the graduation cake was given to the youngest and the oldest members on the course. Travis being the youngest was given the honour.

If you are interested in joining SES you need to be 16 years old and have an interest in assisting the community and be able to attend training every second Monday night. Have a chat to Travis if you want to know more about the training he completed.
